WEDDING AND FUNERAL POLICIES, FORM AND SCHEDULE

A marriage ceremony performed in the church is a service of both worship and consecration. The minister is called upon to perform weddings because church and state thus unite their desire to give binding Christian sanction to marriage. The policies included herein are presented to make the ceremony and its accompanying activities as meaningful and as smooth as possible. Because FBC Baldwyn believes in the unerring, infallible, Word of God, and in the Word in Genesis 2:23-24 it states: "this is now bone of my bone and flesh of my flesh, she shall be called Woman, because she was taken out of Man. Therefore shall a man leave his father and mother and shall cleave unto his wife and they shall be one flesh." Therefore, as the body of Christ we only recognize that marriage is between one man and one woman, And in compliance with our beliefs, FBC Baldwyn properties will only be used for marriage between one man and one woman, either of which is a member in good standing. (refer to membership section on page 8) Exceptions may be made for children or grandchildren of members in good standing. These policies have been adopted by First Baptist Church and shall be adhered to by the wedding Party.

Reservations

- The Pastor should be consulted first to establish a date for the wedding, for use of the church facilities, and for the policies to be followed. Once the date has been established, it will be placed on the church calendar, and the facilities to be used by the wedding party will be reserved for those dates. The church office should be notified as early as possible in case of cancellation or to change the date.

Decorations

- Recognizing the architectural and natural décor of the sanctuary, it is believed that extensive supplementary decorations are not necessary. Consultation with the florist of one's own choosing will determine what decorations are suitable. All decorations should be kept in good taste. The florist will be responsible for any damage to church furnishings resulting from neglect to protect them. No candle stands may be attached to pews. Candles should be dripless or mechanical, and should have adequate drip cloths to protect furniture and carpet. Birdseed instead of rice should be used and may not be thrown anywhere in the building, only outdoors. Fresh flowers are not to be dropped in the aisles or on the carpet. The pulpit is to be moved by staff only. Flowers and other paraphernalia used in weddings must be picked up within the hours following the wedding by florist or family. If you desire to leave flowers for a worship service, please notify your florist and the church office **prior** to the wedding. All flower containers must be picked up and returned to owner.

Specific requests

- NO ONE IS TO STAND ON PEWS to take pictures or for any other purpose.
- NO SMOKING in any part of the facility. Please share this with the caterers, florist personnel, photographers, and others who will be helping to set up and clean up after the wedding.
- NO ALCOHOL OR DRUGS are permitted in any of the church buildings.
- NO FOOD OR DRINKS PERMITTED IN SANCTUARY AT ANY TIME! No food or drinks in the Sunday school rooms --only in designated areas.
- KITCHENWARE that belongs to the church must remain on premises and may not be lent out.
- CHILDREN MUST BE SUPERVISED while parents are working to prepare for functions as they are too young to know what might be damaging to the facility.
- DAMAGES to the facilities will be repaired or replaced by the user. (if wedding it will be the Brides family that will be accountable)

Opening and closing the building

- Arrangements must be made through the church office to have building opened and closed for ceremony, rehearsal, clean-up etc.
- The thermostats will be preset to come on and go off and may not be changed.
- See that anything that was moved in the various rooms is replaced the way you found it. Do not leave behind anything that does not belong to the church (coat hangers, trash, belongings, etc.)

Music

The Bride is asked to use discretion in selection of appropriate music. All music used in weddings must be approved by the Minister of Music or Pastor prior to building use. The music approval form must be signed and returned to church office before the wedding. All musicians and instrumentalists shall be paid and done so in a way commensurate with their time and expertise. You will be responsible for getting someone in the church that is knowledgeable about the sound system to operate the system. They should be paid for their time taking into account the time spent during rehearsal as well. Check with the church office to schedule the sound and lighting technician.

Fees

The church facilities are not for rent but there are costs associated with the use of utilities, janitorial services, sound and light technicians. The fees are not as much for members who have already given tithes and offerings for the cost of building operations as for those who are not members of the church. There is a separate fee schedule and check list to be signed and turned in to the office with fees prior to the wedding.

FUNERALS

Those using the sanctuary for funerals are asked to limit the flowers brought inside to one casket piece and six easels. The church will provide the clean up after funerals. All conduct policies listed above apply. The church will provide a meal for those who desire it.

KITCHEN CLEAN-UP CHECK LIST

INTRODUCTION

Welcome:

Welcome to the FBC Baldwin Nursery! We are excited to have the opportunity to share in the care and growth of your child. We realize that our role is an important one in your child's life, and we will strive to fulfill that role to the best of our abilities.

We are called as the church to receive, nurture, and treasure each child as a gift from God and to give high priority to the quality of planning for children and the preparation and support of those who minister with them. We are called to love, shelter, protect and defend children within our community, to nurture and support families in caring for their children, acting in the children's best interest.

We hope this handbook will be both helpful and informative. Please read it thoroughly and keep it handy to refer to in the future as needed. Copies are available in Bro. Luke's office and the nursery area as well as online at www.fbcaldwyn.com.

*Jesus said, "Let the little children come to me, and do not hinder them,
for the kingdom of heaven belongs to such as these."*

Matthew 19:14

Purpose:

The nursery supports parents by providing for the physical, emotional, and spiritual needs of young children during worship services and other scheduled events.

Policy:

FBC Baldwin provides these policies and procedures to give children the best possible care. It is our desire to protect the health and safety of the children, workers, and all who enter our nursery facilities.

NURSERY INFORMATION

We believe as a church family that all of the children that attend FBC Baldwin are “ours,” and we treat them as such. The nursery is available to babies* in attendance during FBC Baldwin Sunday and Wednesday services and other church sponsored events, as indicated. Parents and guardians may leave a child in the nursery *ONLY* to attend an activity sponsored by FBC Baldwin.

***Nursery services are provided for babies (*birth through 3 years of age*). Children 4 years of age and older will not be permitted entry into the nursery area. However, space will be provided for parents to care for their children (4+ years) if circumstances make it difficult or impossible to attend the worship service.**

Parental Responsibilities:

Parents are children’s most important teachers and our greatest advocates in their spiritual nourishment. Parental assistance in the implementation of these policies and procedures is not only beneficial but necessary.

Parents can help us by:

1. Becoming familiar with the nursery procedures and policies.
2. Remembering that each policy and guideline is based on a desire to provide a safe, secure learning environment for your child. Please ask the Children's Minister or Nursery Coordinators to discuss with you any policy that you do not understand.
3. Filling out the Required Nursery Registration Form (via paper or online).
4. Encouraging their child in his or her walk with Christ.

Drop off/Pick Up Procedures:

At time of drop-off, parents will be asked to sign their child in. If your child has any allergies please let the person checking you in know. After signing in, the parent will receive three stickers. The parent will place one sticker on the child's back, the other on the child's diaper bag, and the final sticker will be required for pick-up. Finally, please hand your child to the worker. ****To ensure that all children stay inside the nursery and little fingers do not get pinched, we ask that parents do not enter the nursery.***

We want your child to feel comfortable in the room, so if your child is having separation anxiety or difficulty transitioning we will ask you to assist with your child. However, after your child is content, we ask that parents exit the nursery area. The nursery volunteers will ensure that you are contacted during the service if you are needed.

When the service or Sunday school hour has concluded, please arrive promptly to pick up your child. Present your sticker number to the nursery worker. They will then bring your child to the door with their diaper bag. Children will only be released to the person with the matching sticker.

Older siblings may not pick-up a child without the matching sticker and parent approval

Snacks:

Snacks are a common occurrence in the nursery. If your child has a food allergy or special need related to food, please provide this information on the Nursery Registration Form or notify the nursery volunteer. Parents are encouraged not to bring special snacks for their children unless previously approved by the Nursery Coordinators.

Potty Training:

Please address any special needs or instructions to the nursery volunteer. Also, please inform the nursery volunteer if your child is in the process of potty training so that they may better assist your child.

Children's supplies:

Parents should include the following supplies for their children in a diaper bag or sack that will easily fit on the nursery hooks.

1. Bottle or Sippy Cup (Please label your child's bottle/cup with their name)
2. Diapers
3. Baby Wipes
4. Soother (pacifier, blanket)
5. Change of clothes

Please check diaper bags regularly to ensure there are proper supplies. If you forget these supplies for your child, we have some items available for use.

We prefer that you DO NOT bring the following items:

1. Medicine of any kind. If your child needs medication at all, it must be administered by the parent or guardian.
2. Personal toys
3. Sick children! No sick children will be admitted into the nursery for the health of others.

The nursery is equipped with blankets, burp cloths, etc. It is often difficult to track down the items that personally belong to your child, especially if they are not labeled and resemble the nursery supply. Therefore, please label such items.

SAFETY & SECURITY

Security Systems:

- Because the safety of each child is so important, we have implemented a new security, check-in system. Parents are to complete a Nursery Registration Form either via paper or online. The registration form includes contact information (where you will be located during child's stay), allergies, special needs, and who can pick the child up.
- Each guest to our nursery will need to fill out a Guest Nursery Registration form during the child's first visit to the nursery.
- We also have a text message system in place to be used, if needed, during a child's stay in the nursery.
- Only the parent/guardian with the matching sticker will be allowed to take the child from the nursery.

Incident/Accident Policy:

We strive to keep your child as safe as possible. However, if your child is involved in some type of incident/accident; you will be contacted in a timely manner. An incident report will be completed by the worker(s) who witnessed the event and then given to the Nursery Coordinator of the month or to the Children's Minister. The Children's Minister will follow up with the parent/guardian of each child involved.

First Aid:

A First Aid Kit is available in each classroom at FBC Baldwyn. General first aid can be administered by volunteers as needed, but if your child needs medication, it **MUST** be administered by the parent/guardian.

Diaper Changing Policy:

- Men are not to change diapers (unless you are the child's parent).

HEALTH POLICIES

Illness:

Children are the most susceptible to any and every "bug" that comes along. Despite our best efforts, the spread of these germs can run rampant in the nursery. Therefore, to prevent the spread of colds, flu, ear infections, etc., the following policies will be enforced.

- Parents will be notified immediately to come for your child if they become ill in the nursery.
- **Medication will not be administered by any nursery volunteer.**
- Should your child develop infectious disease following a session in the nursery department, please contact the Children's Minister immediately.
- Children who show signs of illness should be kept at home.
- According to the Committee on Control of Infectious Diseases of the American Academy of Pediatrics, a child should not be taken from home when any of the following exists, or if they have had symptoms of the following within the previous 24 hours:
 - Fever greater than 101
 - Vomiting
 - Diarrhea
 - Any of the symptoms of the usual childhood diseases such as measles, mumps, chickenpox, and whooping cough.

Children who show signs of any other illness should be kept at home, some of which would include but are not limited to:

- Strep Throat
- Head Lice
- Pink Eye
- Undiagnosed Rashes or Sores
- On-Going Cough
- Runny Nose and Watery Eyes

NURSERY WORKERS & VOLUNTEERS

We believe as a church family that all the children are “ours.” Thus, we ask that the parents of children utilizing the nursery, as well as other members of our congregation, volunteer when possible.

The Children's Minister & Nursery Coordinators will provide training opportunities to familiarize the volunteers with the policies and special procedures outlined in this handbook. This training helps all nursery volunteers know the proper way to handle situations that may arise during their stay in the nursery and will keep our nursery team unified.

The Children's Minister in coordination with the Nursery Coordinators is responsible for determining the suitability of nursery volunteers to care for our children. It is a priority to recruit and maintain volunteers who will provide loving, responsible, and developmentally appropriate care for all children staying in the nursery. Should you, as a parent have questions or concerns regarding care given, please contact the Children's Minister.

Licensure Division Rule 1.8.2

******However, we feel it is best policy to have at least 2 volunteers present in each room at all times.******

Screening Procedure:

We require all teachers, staff and volunteers who work with children to go through a screening process that includes an application form as well as a criminal/child abuse background check.

Minor Volunteers:

Minors (18 and under) will be allowed to assist with their adult parent volunteer as long as the parent is present at all times.

Volunteer Opportunities:

If you are interested in participating in our Nursery Volunteer program, please fill out a Ministry Worker Application or contact the Children's Minister for more details.

Volunteer Scheduling:

To ensure the nursery is adequately staffed at all times, a nursery schedule will be provided to all nursery workers. If you are not available to serve on your scheduled day, please first try to switch shifts with someone on the nursery schedule, if not please contact a Nursery Coordinator.

Volunteer Duties Prior to Service Time:

- Arrive 10-15 minutes prior to the Church service time.
- Wash hands thoroughly upon entering nursery.

Transition Time Procedures:

There is a period of time between service and Sunday school when things can get real confusing unless we prepare for it ahead of time. Transition time is between workers leaving from a previous shift, and workers arriving for the upcoming shift. For workers beginning a shift, please refer to the "Volunteer Duties Prior to Service Time."

Instructions for care-givers being relieved from a shift:

- **DO NOT LEAVE** until the volunteers relieving you are situated and have everything under control.
- Clean up the area so the volunteers relieving you can have a clean area to begin their service.
- Make sure to wipe off dirty toys that have been in children's mouths.

Check-In Procedure:

Note: Parents are to remain outside of the nursery.

- As the parent/guardian comes to drop off the child, have them first check-in and receive their stickers.
- Place a sticker on the child and their diaper bag prior to the parent leaving.
- Check the sticker to make sure the child has no special allergies.
- Ask the parent for any special instructions and write their name and information on the white board.
- Hang the diaper bag on the hooks provided.

****If the child is a first-time visitor to our nursery, have them complete a Guest Nursery Registration Form****

General Policies & Procedures:

- Men are not to change any diapers.
- Sanitize hands after each diaper change and after wiping a runny nose.
- Prevent babies from sharing bottles/cups and pacifiers. Be sure to keep these items in the child's diaper bag when not in use.
- If you think a child is sick, inform the parent/guardian immediately and refer to the "illness" section of this handbook.
- When stock is running low in any area, please mark the item on the Nursery Supply List and let the Nursery Coordinator for that month know as soon as possible.
- See that each baby's diaper is checked at least once during the time you have them.
- Check a child's diaper bag for diapers and wipes before using items provided by the nursery.
- If a child becomes frustrated or aggressive, redirect their attention to another toy or activity. If this does not solve the problem, text the parent/guardian to pick their child up.
- Do not permit babies or toddlers to climb on chairs and tables.
- Report any incidents/accidents to the Children's Minister, and fill out an incident/accident form, located in the storage cabinet. Notify the parent/guardian when they come to pick up their child.
 - If incident/accident has caused the child to become inconsolable, please text the parent/guardian. The Children's Minister will follow up with the parents of the child(ren) involved.

Toy Cleaning Policy:

All nursery toys will be cleaned weekly to avoid spreading germs. Nursery volunteers are asked to disinfect "chewed on" toys before passing them on to another child or place them in the sink to be washed at a later time. Before these toys are used again, they will be disinfected.

Parent/Guardian Communication:

Parents want to hear about their child. They need to know if there was a problem such as excessive fussiness, a slight accident such as a bump on the head or fall, and if you noticed any signs of illness. They also need to hear about the good things that happened while they were away from their child such as: he/she was happy and smiling, he/she told you that he/she had to go to the potty, he/she drank their bottle. Telling parents these things helps them to feel secure about leaving their child with you. It tells them that you really do care about their child.

SPECIAL EVENT POLICY

- All requests for childcare should be submitted in writing to the Children's Minister at least two weeks in advance of an event.
- The Children's Minister must know the number of children anticipated for each activity as well as the ages of the children so that an adequate number of workers can be provided.
- If there are any changes to the event, the Children's Minister must be informed as soon as possible.
- If the church-sponsored event is not located at the church, parents will be expected to leave emergency phone numbers for the care-givers

HANDBOOK AGREEMENT

Each time you sign your child into the nursery, you are agreeing to abide by the policies and procedures outlined in this handbook. If you have any questions or concerns about anything included in the handbook, please let the Children's Minister know so that your views on the policies can be reviewed and considered. The handbook will be revised as needed to reflect the needs of the childcare at our church. New copies will be made available after any revision and will be located in the Children's Ministers office as well as the Nursery Area. To ensure that these policies are implemented, the Children's Minister as well as the Nursery Coordinators will provide training opportunities to familiarize the volunteers with these policies and special procedures. The Children's Ministry teams are responsible for the day-to-day observance and implementation of these policies and procedures.

THANK YOU!!

FBC Baldwyn Children's Minister, Nursery Coordinators and Volunteers appreciate all the hard work of our church family. By working together, we will make our nursery a nurturing and safe environment for our children.

CHILD PROTECTION POLICY

General Purpose Statement

First Baptist Baldwin seeks to provide a safe and secure environment for the children who participate in our programs and activities. By implementing the below practices, our goal is to protect the children of First Baptist Baldwin from incidents of misconduct or inappropriate behavior while also protecting our staff and volunteers (workers) from false accusations.

Definitions

For purposes of this policy, the terms “child” or “children” include all persons under the age of eighteen (18) years. The term “worker” includes both paid and unpaid persons who work with children. The term “volunteer” means anyone involved in a day care or school, in overnight activities involving minors, in counseling of minors, or in one-on-one mentoring of minors.

Selection of Workers

All persons who desire to work with the children participating in our programs and activities will be screened. This screening includes the following:

a) **Six Month Rule**

No volunteer will be considered for any position involving contact with minors until she/he has been involved with First Baptist Baldwin for a minimum of six (6) months. This time of interaction between our leadership and the applicant allows for better evaluation and suitability of the applicant for working with children.

b) **Written Application**

All persons seeking to work with children must complete and sign a written application in a form to be supplied by us. The application will request basic information from the applicant and will inquire into previous experience with children, previous First Baptist Baldwin affiliation, reference and employment information, as well as disclosure of any previous criminal convictions. The application form will be maintained in confidence on file at the First Baptist Baldwin.

c) **Personal Interview**

Upon completion of the application, a face-to-face interview may be scheduled with the applicant to discuss his/her suitability for the position.

d) **Reference Checks**

Before an applicant is permitted to work with children, at least two of the applicants' references will be checked. These references should be of an institutional nature as opposed to personal or family references, preferably from organizations where the applicant has worked with children in the past. Documentation of the reference checks will be maintained in confidence on file at First Baptist Baldwin.

e) **Criminal Background Check**

A national criminal background check is required for all employees (regardless of position) and volunteers as defined above.

Before a background check is run, prospective workers will be asked to sign an authorization form allowing the church to run the check. If an individual declines to sign the authorization form, s/he will be unable to work with children.

A disqualifying offense that will keep an individual from working with children will be determined by the children's minister (birth – 6th grade) and the youth minister (7th – 12th grade) on a case-by-case basis in light of all the surrounding circumstances. Generally, convictions for an offense involving children and/or for offenses involving violence, dishonesty, illegal substances, indecency and any conduct contrary to our mission will preclude someone from being permitted to work with children. Failure to disclose a criminal conviction on the application form will also be a disqualifying event.

The background check authorization form and results will be maintained in confidence on file at the First Baptist Baldwin.

Two Adult Rule

It is our goal that a minimum of two unrelated adult workers will be in attendance at all times when children are being supervised during our programs and activities. Some youth classes may have only one adult teacher in attendance during the class session; in these instances, doors to the classroom should remain open and there should be no fewer than three students with the adult teacher. We do not allow minors to be alone with one adult on our premises or in any sponsored activity unless in a counseling situation.

Responding to Allegations of Child Abuse

For purposes of this policy, "child abuse" is any action (or lack of action) that endangers or harms a child's physical, psychological or emotional health and development. Child abuse occurs in different ways and includes the following:

- **Physical abuse** – any physical injury to a child that is not accidental, such as beating, shaking, burns, and biting.
- **Emotional abuse** – emotional injury when the child is not nurtured or provided with love and security, such as an environment of constant criticism, belittling and persistent teasing.
- **Sexual abuse** – any sexual activity between a child and an adult or between a child and another child at least four years older than the victim, including activities such as fondling, exhibitionism, intercourse, incest, and pornography.
- **Neglect** – depriving a child of his or her essential needs, such as adequate food, water, shelter, and medical care.

Childcare workers may have the opportunity to become aware of abuse or neglect of the children under our care. In the event that an individual involved in the care of children at this First Baptist Baldwin becomes aware of suspected abuse or neglect of a child under his/her care, this should be reported immediately to the children's minister (birth – 6th grade) or the youth minister (7th – 12th grade) for further action, including reporting to authorities as may be mandated by state law.

In the event that an incident of abuse or neglect is alleged to have occurred at this First Baptist Baldwin or during our sponsored programs or activities, the following procedure shall be followed:

1. The parent or guardian of the child will be notified.
2. The worker alleged to be the perpetrator of the abuse or misconduct will immediately be placed on leave from working with children, pending an investigation, and instructed to remain away from the premises during the investigation.
3. Civil authorities will be notified, and the First Baptist Baldwin will comply with the state's requirements regarding mandatory reporting of abuse as the law then exists. The First Baptist Baldwin will fully cooperate with the investigation of the incident by civil authorities.
4. Our insurance company will be notified, and we will complete an incident report. Any documents received relating to the incident and/or allegations will immediately be forwarded to the insurance company.
5. Our senior pastor (with guidance from the deacon body) will be our spokesperson to the media concerning incidents of abuse or neglect, unless he or she is alleged to be involved. We will seek the advice of legal counsel before responding to media inquiries or releasing information to the congregation. All other representatives of the church should refrain from speaking to the media.
6. A pastoral visit will be arranged for those who desire it.

You Also May Want to Consider the Following Provisions Regarding Child Protection

Open Door Policy

Classroom doors should remain open unless there is a window in the door or a side window beside it. Doors should never be locked while persons are inside the room.

Teenage Workers

We recognize that there may be times when it is necessary or desirable for babysitters (paid or volunteer) who are themselves under age 18 to assist in caring for children during programs or activities. The following guidelines apply to teenage workers:

- Must be at least age 14.
- Must be screened as specified above.

Must be under the supervision of an adult and must never be left alone with children.

Check-in/Check-out Procedure

For children in the preschool department, a security check-in/check-out procedure will be followed. The child will be signed in by a parent or guardian, who will receive a “child check” for the child similar to a claim check. The parent or guardian must present the “child check” in order to sign out the child from our care. In the event that a parent or guardian is unable to present the “child check,” the children’s minister will be contacted. The children’s minister will be responsible for releasing the child to the care of a parent or guardian after discussing the surrounding circumstances with the parent or guardian.

Sick Child Policy

It is our desire to provide a healthy and safe environment for all of the children at First Baptist Baldwin. Parents are encouraged to be considerate of other children when deciding whether to place a child under our care. In general, children with the following symptoms should NOT be dropped off:

- Fever, diarrhea, or vomiting within the last 48 hours;
- Green or yellow runny nose;
- Eye or skin infections; and/or
- Other symptoms of communicable or infectious disease.

Children who are observed by our workers to be ill will be separated from other children and the parent or guardian will be contacted to request that the child be picked up for the day.

Medications Policy

It is the policy of First Baptist Baldwin not to administer either prescription or non-prescription medications to the children under our care. Medications should be administered by a parent at home. Parents are reminded of our sick child policy.

Exceptions to the medications policy may be granted to parents of children with potentially life-threatening conditions (such as asthma or severe allergic reactions). Parents of such children should address their situation with the children’s minister (birth – 6th grade) or the youth minister (7th – 12th grade) to develop a plan of action.

Discipline Policy

It is the policy of First Baptist Baldwin not to administer corporal punishment, even if parents have suggested or given permission for it. There should be no spanking, grabbing, hitting, or other physical discipline of children. Workers should consult with the children’s minister (birth – 6th grade) or the youth minister (7th – 12th grade) if assistance is needed with disciplinary issues.

Restroom Guidelines

Children five years of age and younger should use a classroom bathroom if one is available. If a classroom bathroom is not available, workers should escort a group of children to the hallway bathroom. They should always go in a group, never taking a child to the bathroom alone. The workers should check the bathroom first to make sure that it is empty, and then allow the children inside. The workers should then remain outside the bathroom door and escort the children back to the classroom. If a child is taking longer than seems necessary, the worker should open the bathroom door and call the child's name. If a child requires assistance, the workers should prop open the bathroom door, and leave the stall door open as they assist the child.

For children over the age of five, at least one adult male should take boys to the restroom and at least one adult female should take girls. The worker should check the bathroom first to make sure that the bathroom is empty, and then allow the children inside. The worker should then remain outside the bathroom door and escort the children back to the classroom.

For the protection of all, workers should *never* be alone with a child in a bathroom with the door closed and never be in a closed bathroom stall with a child. Parents are strongly encouraged to have their children visit the bathroom prior to each class.

Accidental Injuries to Children

In the event that a child or youth is injured while under our care, the following steps should be followed:

1. For minor injuries, scrapes, and bruises, workers will provide First Aid (Band-Aids, etc.) as appropriate and will notify the child's parent or guardian of the injury at the time the child is picked up from our care.
2. For injuries requiring medical treatment beyond simple First Aid, the parent and/or guardian will immediately be summoned in addition to the worker's supervisor. If warranted by circumstances, an ambulance will be called.
3. Once the child has received appropriate medical attention, an incident report will be completed in the case of injuries requiring treatment by a medical professional.

Training

First Baptist Baldwyn will provide training on this child protection policy to all new childcare workers and will strive to provide opportunities for additional training classes or events on an annual basis. All workers are strongly encouraged to attend these training events.

General Guidelines for Child Safety:

Always Rules:

- Always remember that child molesters and abusers never look like criminals
- Always report anything that looks like child abuse, seems suspicious, or makes you feel uncomfortable
- Always be with at least one other adult when working with children – A married couple only counts as one adult

- Always make certain that touch is age-appropriate and is only for the purposes of encouragement and affirmation
- Always follow all additional policies of the ministry in which you are serving

Never Rules:

- Never go into a lavatory with a child without another adult
- Never go into a lavatory with a child of the opposite sex
- Never release a child to an adult who is not the parent that properly checked in the child – the Security Tags assigned to the child and parent must be a confirmed match
- Never touch a child inappropriately – do not slap, push or touch a child in a private area
- Never go behind closed doors with a child or take a child into an area of a room that is not fully visible to the other childcare workers
- Men never change a child's diaper
